submitted for orders with reference to para 16 supra.

[illegible]
129 The President, myself & [illegible] recommends that the Officer may be retired under Art 311 CSR, after granting him combined leave for 7 months four days of which one month four days will be privilege leave & the rest furlough on full pay, with effect from 16 & 41, the date on which he was permitted to avail himself of the leave.

The Finl Secy has opined that the Offr is ineligible for a retiring pension as his qualifying service is less than 30 years, taking into consideration the fact that he commenced his permanent service on [illegible] 1913. That being [illegible] he will be entitled to an invalid pension under Art 311 CSR. The period of leave recommended by the President would by itself reduce to 2 months 19 days of which one month four days would be privilege leave & the rest furlough on full pay.

It will be seen from the leave calculation sheet (Flag Z) that the Offr is entitled to the furlough on full pay for a long period & that he has not availed himself of the

Sir,

I have the honour to state that one M Raja Rao is the permanent head clerk in the Health Section of this Municipality in the grade of Rs.40-2-50 He has presented an application to me, stating that he has been falling ill frequently from the past 1-1½ years and has been suffering from reumatic pains etc , that in consequence he is becoming weaker and weaker every day, that he cannot therefore attend to his duties satisfactorily, and that he may be granted 8 months' combined leave and then retired from service At present he cannot even sit comfortably on a chair and therefore squats on the ground This official has just completed his 50 years of age,his date of birth being 21st April 1891,and has put in a service of 30 years and one month

Since Raja Rao has applied for voluntary retirement after having put in over 30 years of service, I recommend that he may be granted combined leave for 7 months and 24 days of wich 1 month and 24 days will be privilege leave and the rest furlough on full pay from 1st June 1941, preparatory to retirement, under Article 311 M S R He is entitled to the leave applied for

The connected records with the Service Register are enclosed
